

Queen Alexandra Foundation for Children

Hold An Event for QAF

How can the Queen Alexandra Foundation for Children help?

Your interest in helping raise money for kids is so generous – thank you! Once your event has been approved, we'd be delighted to offer advice, feedback, guidance and support!

During your planning, the Queen Alexandra Foundation for Children (QAF) would be happy to provide:

- First-hand knowledge on event planning
- Ideas of how to plan and run a successful event
- List of ideas/projects where the money might be used, so you can choose something that appeals to you and your group
- Tax receipts, within Canada Revenue Agency's guidelines
- General publicity of your event through our internal and external newsletters (depending on lead time) and our website
- QAF supplies for your event – coin boxes, brochures, newsletters, and tattoos

In general, due to staffing limitations, the Queen Alexandra Foundation for Children is unable to:

- Provide funding or reimbursement for event expenses
- Obtain sponsorships or solicit auction items
- Coordinate media or publicity of your event
- Mail/e-mail lists, including donor lists and staff lists
- Actively sell tickets to your event
- Purchase tickets for QAF staff or volunteers and/or guarantee attendance by a QAF representative
